## 4 Details of the Training Location and Other Practical Information

Dear partners,

As you know, the next Edu4All Training Visit will be held next week at the University of the Basque Country (San Sebastián, Spain).

Through this email, we would like to remind you of the important information we already sent you some months ago, revised with the last updates.

San Sebastián is a small town beside the sea. It is located in the Basque Country where there are two official languages (Basque and Spanish) and therefore the information here is shown in both languages. For instance, the Basque name for the town is Donostia and officially the town is named "Donostia-San Sebastián", merging both languages.

- **Dates:** From March 6 (Thursday) to 10 (Friday), 2023.
- **Location:** Faculty of Informatics of the University of the Basque Country (UPV/EHU), located on the Gipuzkoa Campus of the UPV/EHU, in the Ibaeta district of San Sebastian.
